

What Does The Bible Say Love Is?

First and foremost, the Bible tells us about love as a noun. That God Himself IS love. God our Father, the Creator of the universe, the beginning and the end, He is love.

Anything we can ever hope to know or understand about love begins and ends in who God is. To know God is to know love. The Bible also tells us about love as a verb. Actions that we ourselves can take demonstrate love. Loving others means being patient, being kind, bearing all manners of things, believing, hoping and enduring.
